

Tax Audits and Disputes Services

Navigating the complexities of tax law and managing tax audits and disputes can be a daunting task. At Regency Partners, we understand the challenges you face as a taxpayer in an ever-changing regulatory landscape.

Our dedicated team of tax professionals are here to provide you with proactive and professional support, ensuring that you can effectively manage your tax risks and achieve the best possible outcome for your business.

Proactive audit support

Facing a tax audit can be a stressful and time-consuming process. Our experienced team of professionals will guide you through every step of the way, working tirelessly to reduce the burden on your shoulders. We will assist you in preparing all the necessary documentation and responding to audit requests promptly and accurately. Our goal is to minimise any potential interest and penalties while ensuring compliance with tax regulations.

Dispute resolution experts

In the event that a dispute arises with tax authorities, our team is fully equipped to handle the situation with expertise and finesse. We offer end-to-end management of your response, employing strategies that are efficient, fair, and conducive to maintaining a positive working relationship with revenue authorities.

Our approach is to provide you with a comprehensive overview of available options, outlining the costs, advantages, and disadvantages of each approach. We will work closely with you to develop a tailored solution that maximises your chances of a successful resolution.

Effective strategies for tax dispute resolution

Taxation reviews, audit management, and dispute resolution can drain valuable resources from your company.

At Regency Partners, we specialise in working with SMEs, high-wealth individuals, national and multinational corporations, to prevent, manage, and favorably resolve disputes over federal taxes and state taxes. Our proactive and evidence-based strategies are designed to achieve the best possible outcome for you, ensuring that your resources are utilised efficiently and effectively.

Expert guidance for tailored tax dispute solutions

In today's complex tax landscape, where authorities scrutinise technical merit, analysis, implementation, and motive, you need a team of experienced specialists by your side.

Our team of experts have decades of experience dealing with a wide range of tax issues, enabling us to offer a comprehensive and scalable solution tailored to your specific needs. We combine cutting-edge technology, analytical procedures, and response methodologies to provide you with a detailed and customised approach to resolving tax controversies.

Navigating tax disputes with confidence

Tax laws are constantly evolving, and resolving tax disputes requires a strategic and knowledgeable approach. At Regency Partners, we have a proven track record of assisting businesses in successfully resolving tax disputes while maintaining effective working relationships with revenue authorities.

Our meticulous process for managing tax audits includes determining triggers, assessing the extent of the audit, developing an audit strategy, reviewing records, preparing responses, and controlling the flow of information. In the event of an amended assessment, we are well-equipped to implement a comprehensive dispute resolution process.

Tax audit insurance

Audit shield - comprehensive protection for tax audits

At Regency Partners, we understand the challenges and uncertainties that can arise during tax audits. That's why we offer Audit Shield, a powerful addition to our Tax Audit Insurance services.

With Audit Shield, you gain comprehensive protection and peace of mind, knowing that your business is safeguarded against the substantial costs associated with audits, inquiries, investigations, reviews, or examinations conducted by the Australian Taxation Office (ATO) or other government revenue authorities.

By enrolling in Audit Shield, you can confidently navigate the audit process, ensuring that you have the necessary resources to respond promptly and accurately while minimising potential interest, penalties, and compliance risks.

With Regency Partners and Audit Shield by your side, you can face tax audits with confidence, knowing that you have proactive support, expert guidance, and effective strategies to protect your business interests.
